Office of the R.L.A.

Subject to the following remarks, a revised draft of the permit is sent herewith.

2. The Restricted Use of Charcoal Order, 1947 as passed ~~21-23~~ ante regulates the acquisition and use of charcoal and not fuel. The word 'charcoal' has therefore been used in place of fuel in the revised draft. Under clause 3 of the Order, provision is made for grant of a permit by the Controller of Rationing, Bombay, or the Additional Director of Civil Supplies (Charcoal and Firewood), Bombay, or persons authorised by them in that ~~XXXXX~~ behalf. Since the Additional Director of Civil Supplies (Charcoal and Firewood), Bombay is not the ~~XXX~~ only authority empowered to grant permits, reference to that authority is omitted and provision is made in the revised draft for returning the permit to the authority issuing the same.

3. It appears from the C.S.D. notes at p.2/c that the draft permit sent by the Department for R.L.A.'s scrutiny is based on the permit in force for the purchases of coal and coke. ~~Examining~~ From the copy of a permit obtained informally from that Department it appears that the instructions and the counterfoils printed therein are intended for dealers. The Restricted Use of Charcoal Order, however, regulates the acquisition of coal by consumers for purposes of catering establishments, etc. and not by dealers and that being so, the aforesaid instructions and the counterfoils would not be suitable in the case of such consumers. They are, therefore, omitted in the revised draft. If, however, C.S.D. considers that some instructions are necessary in the case of persons (consumers) to whom permit is granted under the Restricted Use of Charcoal Order, that Department should draft the necessary instructions and send them to the R.L.A. for scrutiny, if necessary.
